

**Amendment Slip No. 06 of 12.03.08 to the (G & SR Book 2006)**

---

- Item -1. Delete existing GR 1.01(1) at Page No. 1 and replace as under\_  
These rules may be called the Indian Railway( Open Lines ) General (Amendment) Rules, 2008.
- Item - 2. Add new sub-rule(4) after sub-rule(3) of GR 3.52 at Page No. 46  
(4) Red or Green light referred to in sub-rule(3) shall be either a static or flashing type.
- Item -3 Delete existing GR 3.66 at Page No. 57 and replace as under\_  
When it becomes necessary to protect an obstruction in a block section and a flashing hand signal is not provided, a flare signal may be used, as prescribed by special instructions, while the railway servant proceeds to place detonators.
