

Amendment Slip No.15 Dated 03.03.2010 to G&SF 2006 of NCR

1. Delete existing SR 3.61/1(j) at page no.54 and replace as under-
As soon as it is necessary for the SM on duty to take action under SR 3.61/1(c), he will immediately call on duty two men trained in fog signaling duties and will depute them to either end of the station limits. Fog signalmen will be detailed for duty at stations, partly drawn from the station Traffic staff and partly from Engineering Gangmen and must not be substitutes but regular employees of the Railway.

2. Delete existing SR 5.06/2(a)(i) at page no.136 and replace as under-
Sr DOM and Sr DSTE will have the SWR and correction slips thereto of all stations carefully checked on the spot, to see that they are correct and complete in all respects before they are finally signed, issued and brought into force.
The COM and CSTE may be approached for any advice, if necessary.
