Sub:- Induction training of App. JE/P.Way, Works & Drawing.

Ref:- 1. This office letter of even No. dated 15.07.20.

With reference to above, this is to please inform you that Principal Chief Engineer, N.C.Rly, has accorded his kind approval for on line training with its modified procedure. Although syllabus/content for training will be as per approved Training Module issued by IRICEN, duly approved from Rly Board. The requirements and important points of modified induction training procedure are as under—

1. Class room Induction Training of Ph-I through on line lectures from CETA will commence from 10.8.2020 for all the App.JE /P.Way of N C Rly. The field training for App. JE/P.Way of Northern Railway will commence from 10.08.2020 for phase-I & online lectures for them, will commence from 26.10.2020.
2. Class room Induction Training Ph-I through on line lectures from CETA, will commence from 10.8.2020 for all the App.JE /works of N C RLY and N.RLY.
3. Class room Induction Training Ph-I through on line lectures from CETA, will commence from 12.10.2020 for all the App.JE /Drawing of N C RLY and N.RLY
4. All the apprentice JEs will remain in their divisions during all phases of training i.e. during on line lectures, field training & examination. They may be kept at divisional HQ if facilities are available for sitting and stay or may be distributed in sub divisions.

(Continued on Page 2)

5. The On Line lectures will be on Zoom app hence all the trainees are required to down load Zoom app on their systems i.e. laptop, tablet etc. Divisions are requested to provide better arrangement if feasible by providing sitting arrangement with systems of large size screens.
6. The details of trainees with their contact and whatsapp numbers, are required to be sent to CETA by divisions so that id and passwords can be sent to them for on line lectures and also to ensure interaction with trainees during training.
7. Arrangement for **billing & payment of stipend** for trainees will be done by divisions/EDUs.
8. Sr DEN /Cos are requested to nominate a officer for coordination with CETA, monitoring of training alongwith competent supervisors to ensure training of apprentices in field as per approved Training module by RLY Board and modified procedure approved by Principal Chief Engineer ,N C Rly .
9. The details of procedure of training & training calendar with bifurcation of activities as Annexure.-1 (A&B) for JE/P.Way , ANN.-2 for JE/Works and & ANN-3 for training of JE (Drawing), are attached.

The details of procedure of Induction Training of App.JE/P.WAY

TRAINING-

The On line Lectures (for phase-I and Ph- II) in two parts, will be completed in 04 months (2.5 months & 1.5 months for induction training of phase-I & II for JE/P.Way) by CETA. The remaining part of Ph-I & Ph-II training containing model rooms, site/field visits & showing video films of P.Way working etc along with field training & ON THE JOB TRAINING (phase-III), will be completed in 08 months by divisions in guidance of CETA/CNB. CETA will be in regular contact with divisions in this regard. Trainees will be required to submit their progress of field training on fortnightly basis in digital form to CETA.

EXAMINATION-

The examination is mandatory for induction courses because the candidate can be placed on regular post after passing the examination & issuance of certificates in this regard by CETA. The written examinations will be conducted in divisions. The setting of question papers and evaluation of answer sheets will be done by CETA. The division will be required to nominate one srden to manage examination in division. At least Jr Scale (AEN) officer will be deputed by division for collection of question papers from CETA and handing over the answer sheets to CETA. The successful trainees will be issued certificate from CETA for their regular posting.
