**Sub:** System Improvement / Monthly monitoring mechanism for license fees of all existing Commercial earning contracts in the Division.

In connection to the above mentioned subject it is informed that a case has come to notice of the vigilance department wherein a catering licensee has run the contract without depositing license fees. There may be other instances of such occurrences. It is also seen that there is no system of monitoring this type of lapse. To avoid occurrence of such cases a System Improvement / Monitoring mechanism in the form of a proforma has been developed. In the given proforma, monthly position of the unpaid license fees of earning commercial contracts over the division shall be put up to Sr.DCM by 7<sup>th</sup> of every month which may be further be put up DRM.

It is requested that the Division may take necessary steps for the implementation of the suggested System Improvement.
