

## **Guidelines for Empanelment of Private Hospitals.**

- North Central Railway empanels only reputed Multi-speciality/Super speciality private hospitals, for the facilities not available in Railway Hospitals on need basis.
- Empanelment is being done on the CGHS rates, applicable for NABH/Non-NABH accredited hospital off that city.
- Proposal is considered on the request of the hospitals. Inspection is done by a committee of railway doctors on the technical aspects i.e. No. of beds/facilities/specialities/services offered, medical set up & reputation of the hospital etc.
- **Sanctioning authority for empanelment of private hospital is Ministry of Railways. This is granted on the recommendation of CMD, concurrence of Finance and administrative approval of General Manager.**
- Private reputed hospitals can make request on their letter head duly mentioning the following information.
  - No. of beds available.
  - Facilities available.
  - No. of doctors/specialists working.
  - No. of ICU/CCU beds available.
  - Ambulance facilities provided to railway beneficiaries.
  - Distance from nearest railway station/railway hospitals.
  - Three copies of the rate list, its comparison to CGHS rates offered to other hospitals of the city and rates for North Central Railway are also required.
  - Any other extra facility/concession to be given to North Central Railway.
