Arun Saksena
General Manager

उत्तर मध्य रेलवे
NORTH CENTRAL RAILWAY

D.O. No.CMIT/PH-17/2016-17

Dated: 13.06.2016.

Dear Sanjay,

Sub: Delegation of powers to General Manager under Plan Head –
Computerization.

Railway Board, as a policy, has encouraged use of IT in Railway Operations & Management to provide good governance; improve Operating Ratio and facilitate Railway employees to enhance productivity. While the efforts are being made by C&IS directorate at Railway Board for computerization of Railways at central level, there is an imminent need to develop matching infrastructure at Zonal Railways also for computerization which includes installation of hardware, software & networking; development of IT applications for specific local requirements and establishing training facilities for staff and officers to develop their IT skills.

At present delegation of powers to General Manager under Plan Head-Computerization covers replacement of PRS/UTS/UTS-cum-PRS and FOIS related equipment only under DRF. There is no power delegated to General Manager for meeting the local requirements stated above either in DRF or in DF.

In view of above, it is requested to delegate powers to General Manager under Plan Head - Computerization equivalent to powers delegated to him in other Plan Heads to serve the local needs of all IT related works as stated above.

Board may like to take appropriate view.

Regards !

Yours sincerely,

Arun Saksena
(Arun Saksena)

Shri S. Mookerjee,
Financial Commissioner,
Railway Board,
NEW DELHI.
