

## **Statement of Commitment**

- **We, at AGRA DIVISION are committed to achieve excellence in all Product and Services.**
- **We will achieve this by our strict adherence to the Environment Management System and its continual improvement.**
- **We are responsible to ensure that each function/activity conforms to the applicable requirements of the Environmental Management System as well as all legal requirements.**
- **We, hereby jointly declare our commitment to attain the Environmental Objectives through full participation in implementation of the Environmental Management System, in letter and spirit.**
