

North Central Railway

Vendor Meet on 31.01.2020 at NCR/Allahabad

There is a continuous increase in populations of LHB coaches, 3 Phase Electric Locomotives, Wagons and Signaling and Telecom Gears every year in Indian Railways, resulting in increase in requirement of spares for maintenance of these Assets. For fulfilling these requirements of North Central Railway and also for other Zonal Railways, increase in vendor base is essential to improve the availability of spares, at competitive price, which will benefit the public at large.

The basic purpose of this Vendor Meet is to enhance the existing vendor base, to share procurement procedure of railways and to encourage payment through Letter of Credit (LC) for indigenous vendor also.

North Central Railway would like to invite all the prospective/Existing Vendors to attend the Meeting.
