

क्रियाकलाप एवं कर्तव्य

FUNCTIONS & DUTIES

1. Maintaining uninterrupted power supply to OHE.
2. To ensure highest reliability of Traction Power supply.
3. To ensure highest availability of OHE/PSI Assets.
4. To endeavor for Zero failure of OHE/PSI Assets.
5. Zero tolerance for violation of Safety Rules.
6. Strive for Energy Conservation to optimize consumption achieve the economy.
7. Controlling & monitoring of PSI equipments at Remote Controlled Posts.
8. Issue Power block on OHE & shut down on TR-line.
9. Issue PTW on PSI equipments for maintenance.
10. Liaisoning with supply authorities.
11. Liaisoning with section controllers for switching off OHE in case of emergencies.
12. Effective & efficient breakdown management for minimum traffic interruption.
13. Maintaining load and OHE voltage in permissible limit.
