The General Managers,
All Indian Railways, including Production Units and Others

Sub: Outsourcing of activities/manpower in railways

The requirement of manpower and services in certain fields is managed through outsourcing as per the need

With regard to above, Board has decided that outsourcing of manpower should be based on actual work requirement and not merely based on vacancies. Further, it should also be ensured that the outsourcing of manpower does not lead to exceeding the sanctioned strength of the unit/department.

All Railways/PUs are advised to adhere to above instructions.
