**Sub.:** List of LHB coaches with transportation code

Reference has been received from time to time regarding clarification on transportation code of various type of coaches whether same are approved with oscillation trial or dispense with as a derived stock. These details are frequently required in Railways for planning of Route Proving Run (RPR) and Confirmatory Oscillograph Car Run (COCR).

Accordingly a consolidated list of all transportation code of LHB coaches have been prepared and attached at Annexure-I for ready reference. PU's are requested to ensure following of latest transportation code in manufacture of new coaches.

This is for your kind information and necessary action please.

DA: Annexure-I.
